Lila Draben
Canton High School

We are indeed fortunate to be citizens of the greatest country in the world. This privilege must not be taken lightly by any of us, no matter how small our duties may seem. At the present time, the forces of evil have combined against us and we must meet the challenge unfearingly. A fighting force is being organized to protect the free people of the world. To establish a defense which cannot be broken, our country is calling upon the finest young men available. From our faculty, two of America's finest young men have answered this call to arms. Mr. Burkholder and Mr. Reist, Canton High School takes great pride in dedicating this annual to you.
